

Measure D Parcel Tax Senior Exemption Application

City Librarian Approval: _____

- To Qualify:**
1. Your property must be a single-family residential parcel with one living unit (e.g., single-family residence, condo, townhome). A residential parcel that is improved with a second living unit (e.g., accessory dwelling unit (ADU)) is not eligible for the exemption.
 2. You must be 65 years of age or older by July 1st of the tax year (tax year is July 1-June 30).
 3. You must own and reside in the residence, and not rent any portion of the residence.
 4. You must submit the application before June 1st of the tax year. Typically, you will receive the bill sometime in October of each year, therefore you have approximately eight months to submit the application.
 5. You must submit a copy of your property tax bill showing the Measure D Parcel Tax.

1. Property & Owner Information (please print)

Owner-Occupied Residential Parcel #: _____

Property Owner's Name(s): _____

Property Address: _____

City: _____ Zip: _____

Daytime Telephone: _____

2. Required Documents

- a. Please include a copy of the property tax bill for the year you are filing an exemption.
- b. Please include a copy of one of the following forms of identification (*check one*)

Driver's License California ID Passport Birth Certificate

Other (must show birth date): _____

3. Signature Required

I declare under penalty of perjury under the laws of the State of California that this application, including any accompanying proof of age documents is, to the best of my knowledge, correct and complete, that I am the owner of the property listed above, and that I meet the eligibility requirements stated herein.

I further declare that I will contact the City of San Rafael and submit a new application for future tax years if my eligibility for the exemption changes, for example, if I rent out any portion of my property or build an ADU on my property.

Executed On: Day: _____ Month: _____ Year: _____

Property Owner's Signature: _____

4. Mailing Address (make copies for your records)
